A Day with a Lineworker

FIELD STORY

Duration: 15 min • Grades 6-8 • Facilitator-led

Overview

A short-form documentary following a PA lineworker through a shift, followed by structured reflection prompts about the skills, training, and lifestyle of a trades career.

Learning Objectives

- Describe the daily work of a lineworker
- Identify the training path into the trades
- Reflect on personal fit for hands-on careers

Materials Needed

- Video playback
- Reflection prompt handout

Facilitator Flow

- 1 Preview (2 min): 'What do you think a lineworker does all day?'
- 2 Watch (8 min): documentary short.
- 3 Reflect (3 min): three prompts on the handout.
- 4 Discuss (2 min): would you try this career? Why or why not?
